## PHOTO CONSENT FORM

Omonia Youth FC is committed to safeguarding the children in our care. As a club are keen to promote positive images of its teams, achievements and events. With this in mind we endeavour to seek parental/guardians consent to use appropriate images that may be used for club promotions. This may include photos being used on our website, twitter account and local newspapers. Parents /players / guardians have the right to decide whether their image is taken and how it can be used.

Care will ALWAYS be taken to ensure that players will not be named alongside their image. We therefore are asking for your written consent.

Omonia Youth FC may ask a professional photographer to attend activities and team matches. Photographs will be used as a historical record of the club as well as using its images in media, in support of sponsor publications as well as the OYFC website.

Omonia Youth FC will take all reasonable measures to ensure these images are used solely for the purposes for which they are intended. If you become aware these images are being used inappropriately you should inform OYFC's Welfare Officer immediately.

Omonia Youth FC reserves the right at all times to prohibit the use of photography, film or video at any activity with which it is associated.

This form should be signed by the legal guardian (Parent/Guardian/Carer) and the form be given to the team manager
